

Stats vs. Year for selected PSD programs

This presentation was made by Max (a.k.a SARA) for his SBAG presentation in Jan 2013 and it has plots of stats for selected programs of relevance to SBAG. These plots were based on data in the 01/10/2013 version of the SARA grant stats spreadsheet online. For more information contact SARA@nasa.gov

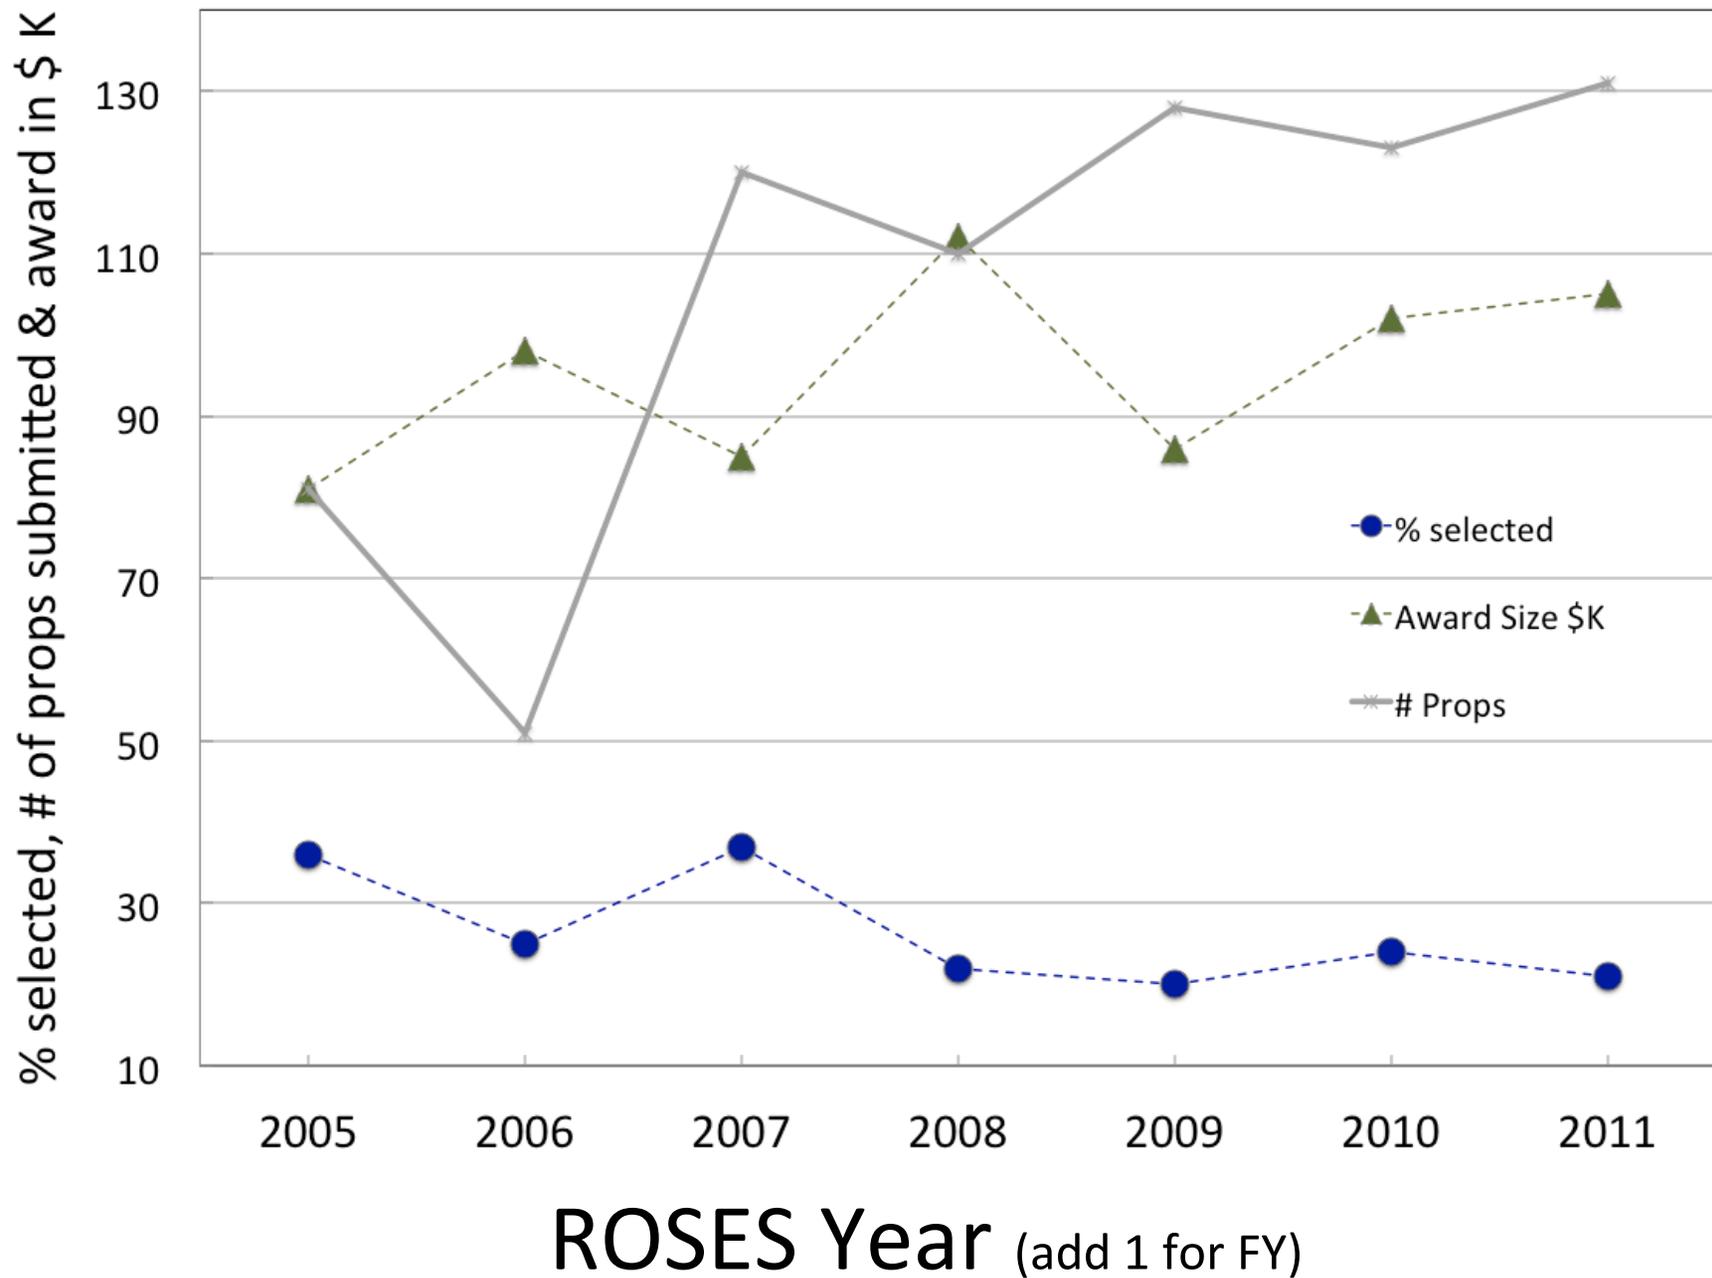

CDAP Summary Chart

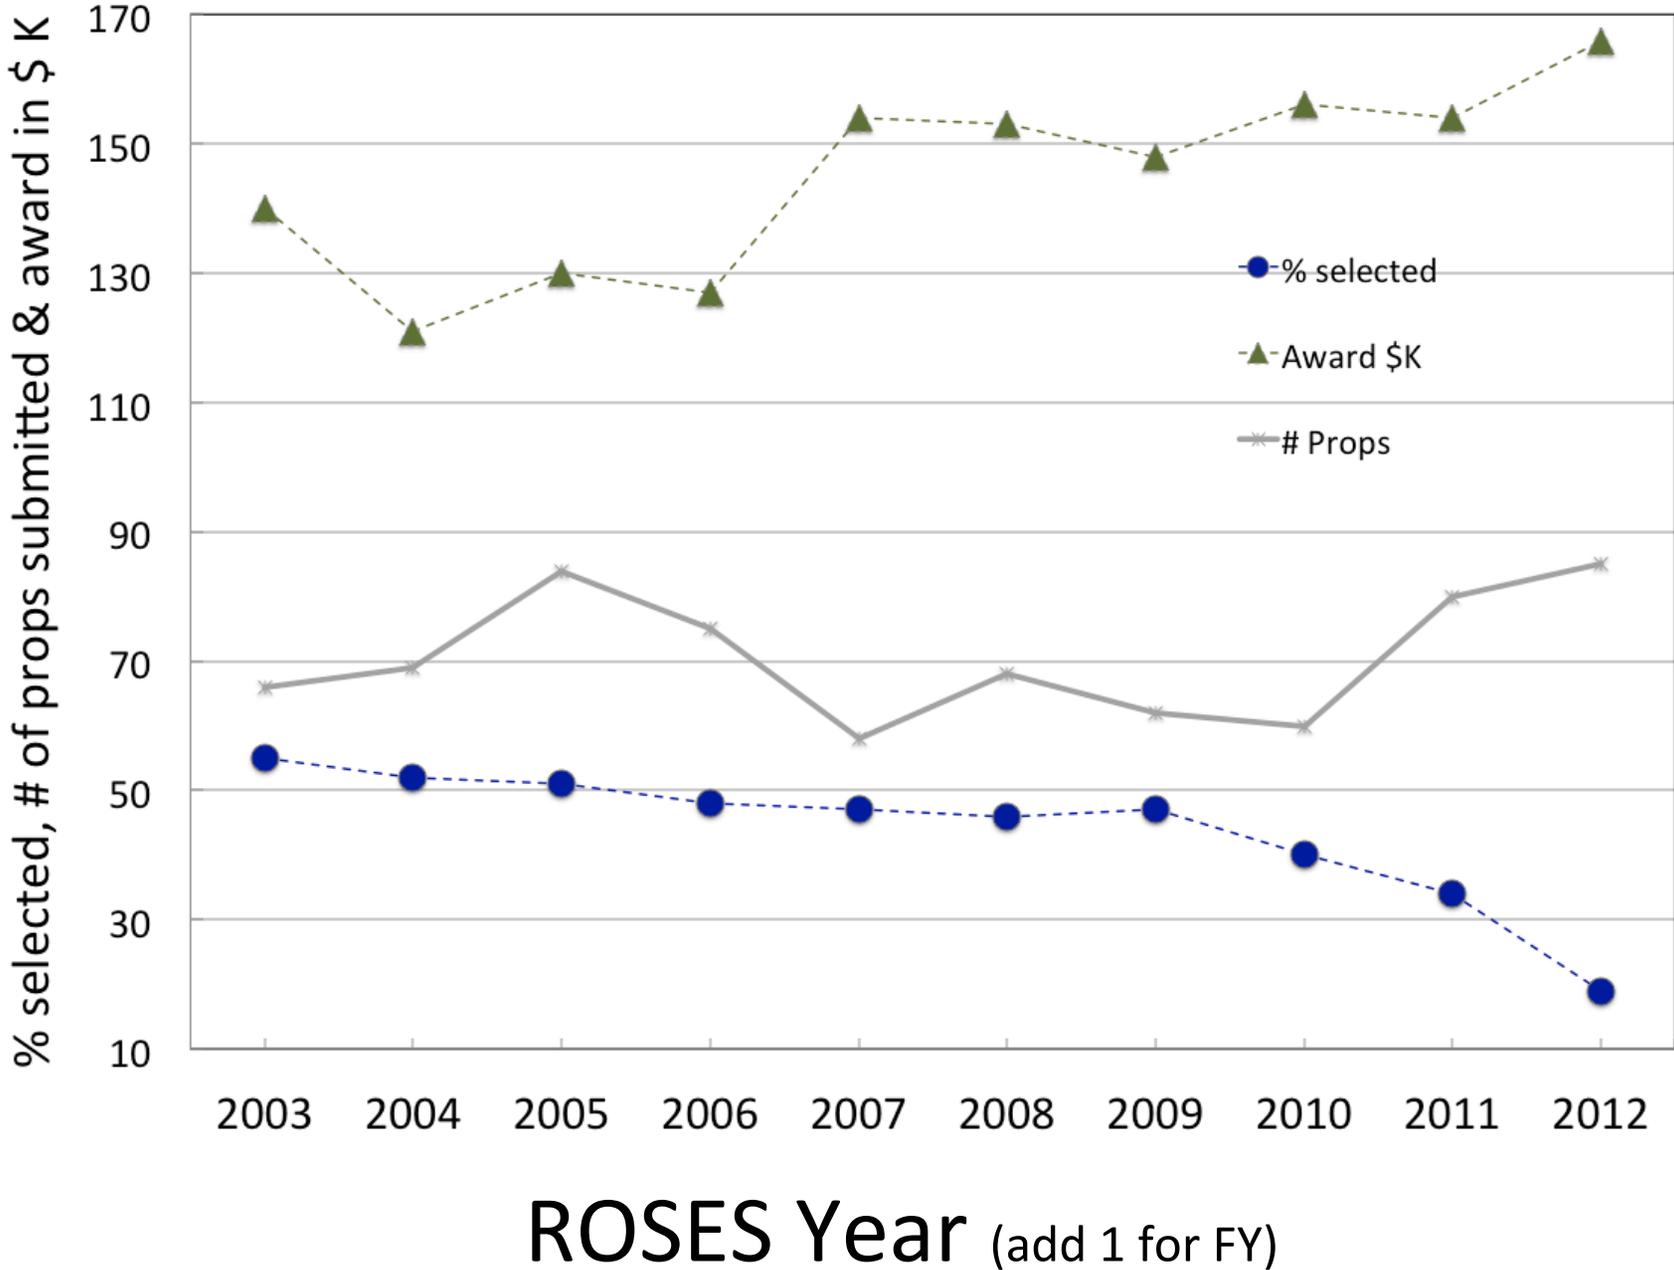

* Average award size is the average size of the first year of the new awards (only).

ROSES Year (add 1 for FY)
